

Drought Tolerant Plant List for City Boulevards

☼ Important: Because soil and water conditions vary, results cannot be guaranteed. This list is intended as a guide to those plants which have proven drought tolerant in average conditions.

List compiled by volunteer Master Gardeners from Van Dusen Botanical Garden for the Prince Edward Street Waterwise Blooming Boulevard Project. June, 2003.

Perennials: Drought Tolerant Plant Selection Guide															
Botanical Name	Common Name	Sun	Shade	Blossom Colour							Bloom Season	Soil	Height	Spread	Comments
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue	P Purple					
Achillea millefolium	Yarrow	X													
A. 'Fire King'		X				X					Summer/fall		1m		Likes very hot dry. Spreads
A. 'Moonshine'		X						X			Summer/fall		60 cm		
Aethionema	Stonecress	X									Late Spring, Early Summer	Light	15cm	15cm	Everygreen, compact, short lived.
A. 'Warley Rose'			X						X						Good edger for curbside.
Ajuga			X												
Alchemilla mollis	Lady's Mantle	X	X					X			summer		30 cm	60 cm	Self seeds
A. alpina								X							Silver edges and silver underleaf.
Allium	Chives	X								X			30cm	30cm	Edible. Self seeds.
Amsonia tabernaemontana	Blue Star Flower		X							X			45-60 cm	30 cm	Yellow leaves in autumn.
Anemone japonica	Japanese anemone	X	X	X	X						Late summer		1m	1m	Partial shade under deciduous trees.
Anthemis nobilis	Chamomile	X		X							Summer		60cm	30cm	Can make tea. Nice white daisies.
Aquilegia	Columbine	X	X	X	X			X	X	X	Spring/summer		60 cm	30 cm	Attracts humming birds/self seeds in Fall
Artemisia	Wormwood	X													Grey foliage.
A. ludoviciana		X		X									1 M	60 cm	
A. pontica		X											60 cm	20 cm	May spread.
A. 'Powis Castle'		X											1 M	1.2 M	Evergreen.
A. stelleriana		X										Light soil	30-60 cm	60cm- 1 m	
Aster novi-belgii hybrids.	Michaelmas Daisies	X		X	X	X				X	X	Summer/Fall	1m	1m	Watch height. Pick low growing cultivars. Need dividing every 2-3 years. In June, growing tips can be pinched out to reduce height.
A. x 'Frikartii Munch'															
A. 'Wonder of Staffa'															
Bergenia cordifolia	Elephants Ears	X	X		X	X							20 cm		
B. crassifolia		X	X		X						Feb-Mar		20 cm		Glossy bold leaves, green
Campanula	Bellflower	X	X	X						X	X	Summer			Height and spread depending on type. Watch invasive ones.
Carex	Sedge. (Grass-like)	X	X												Do not cut to ground. Evergreen or "everbrown."
C. buchanii															
C. comans 'frosty curls'															
C. morrowii															

Perennials: Drought Tolerant Plant Selection Guide																	
Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments			
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue						P Purple		
Catanache caerulea	Cupid's dart	X		X						X			Light well drained	60 cm	30 cm	Gray green leaves. Reseeds.	
Centaurea																	
C. 'John Coutts'		X			X								summer	60 cm	45 cm	Bright pink, deadhead will rebloom.	
C. montana										X			Early summer	50 cm	60 cm	Regular division.	
C. pulcherimma					X									75 cm	60 cm	Regular division.	
Centranthus	Valerian	X	X	X									summer	Poor	60 cm-1m.	< 45 cm	Good with day lilies. Scented.
C. 'Albus'				X													
C. rubra						X											
Ceratostigma	Plumbago									X			Late summer/fall				Brilliant blue flowers
C. plumbaginoides	Dwarf plumbago									X				45 cm.	20 cm		Rapidly spreading.
C. willmottianum	Chinese plumbago									X				75 cm	75 cm		
Convallaria majalis	Lily of the Valley			X											3-23cm		All parts poisonous if ingested.
Coreopsis	Tickseed					X	X	X					summer				
C. verticillata 'Zagreb'								X						40-60 cm	30 cm		Thread leaf foliage.
C. verticillata 'Moonbeam'																	
C. lanceolata								X						45 cm	30 cm		Excellent cut flowers
Crocsmia		X															Good naturaliser, watch height
C. 'Lucerfi'							X							1 m	20-25 cm		
C. 'Bressingham Blaze'		X					X			X				75 cm			
Cynoglossum grande	Western Hound's Tongue (biennial)		X	X	X					X	X		Spring		60cm		Dies back in summer.
Deschampsia	Tufted Hair grass	X	X											30cm	30cm		Nice in wind.
Diascia	Twinspur	X		X									Summer/Fall	Lean soil	45cm	1m	Survives in poor soil. Well drained soil.
D. integerrima vigilis																	
D. vigilis																	
Doronicum	Leopard's Bane		X					X					Spring		75cm	60cm	
Dryopteris	Wood Fern		X											Rich soil.			Not easy to grow. Needs organic matter. Mulch required.
D. arguta	Coastal Wood Fern		X												75 cm		
D. erythrosora			X												30-60 cm		
D. expansa			X												30 cm-1 m		
D filex mas			X												30cm-1m		
Echinacea purpurea	Coneflower	X		X	X						X		Summer		1m	1m	
Erica	Winter flowering Heather	X		X	X	X							Winter/Spring		30cm	30cm-1m	Acid peaty soil. Add peat to soil before planting. Water well to get established--two years. Light haircut after flowering.

Perennials: Drought Tolerant Plant Selection Guide														
				Blossom Colour										

Botanical Name	Common Name	Sun	Shade	W	P	R	O	Y	B	P	Bloom Season	Soil	Height	Spread	Comments
				White	Pink	Red	Orange	Yellow	Blue	Purple					
Erigeron E. glaucus E. speciosus	Fleabane Beach Aster	X		X	X				X	X	Summer	Sandy			Flowers all summer. Free blooming.
Eryngium E. alpinum E. planum	Sea Holly	X							X	X	Summer				Silver, check height, tap root. Difficult to divide.
Erysimum E. 'Bowles Mauve'	Wallflower	X								X			1 m	2 m	Almost continuous bloom.
E. linifolium		X							X				30 cm	20 cm	Short lived, will self sow.
E. helveticum		X						X					10 cm	15 cm	
Euphorbia E. amygdaloides 'Purpurea'		X	X					X			Spring		1 m	1 m	Tolerates root competition from tree.
E. amygdaloides robbiae			X								Spring	Poor	45-60 cm	60 cm	Lime green flowers. Spreads by rhizomes.
E. griffithii 'Fireglow'		X	X				X				Early Summer		1 m	50 cm	
E. myrsinites	Myrtle Euphorbia	X					X	X			Spring		10 cm	20 cm	Evergreen. Lime green flower
E. polychroma	Cushion Spurge		X												
E. rigida		X						X			Early Spring.		45 cm	45 cm	Evergreen lime green flower
Fragaria chiloensis	Wild Strawberry	X	X	X									30 cm	>1 m	Spreads by stolons
Geranium G. macrorrhizum	Cranes bill. Hardy geranium.	X		X	X					X					Excellent choice. Easy Care. Free blooming. Tough, disease free.
G. x oxanonium		X		X	X										
G. phaeum	Mourning Widow		X			X				X					Excellent for dry shade.
Globularia	Globe Daisy	X							X		Summer		8cm	20cm	Only moderately frost hardy.
Goniolimon tataricum Or Limonium	German Statice	X		X						X	Summer		30cm		Good dried flowers.
G. bellidifolium		X		X					X				20 cm	20 cm	
G. latifolium 'Blue Cloud'		X							X	X	Late summer		30 cm	45 cm	Can dry flowers
Helenium autumnale H. Hybrids	Sneezeweed	X													Need regular division, hot spot, watch height of cultivars
H. 'Bressingham Gold'		X						X			Late summer/fall		1 m	60 cm	
H. 'Moerheim Beauty'		X					X				Late summer/fall		1 m	60 cm	Rich, reddish colour.
H. 'Wyndley'		X						X			Late summer/fall		75 cm	60 cm	Orange yellow.
Helianthemum nummularium	Sun rose. Rock rose.	X		X	X	X	X	X			Early summer	Excellent drainage	15-20 cm	15-30 cm	Dry spot needed, evergreen.
Helictotrichon	Blue Oat Grass	X											60cm	60cm	Stately blue green grass with florets. Do not cut back.

Perennials: Drought Tolerant Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments	
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue						P Purple
Helleborus	Christmas Rose	X	X	X										Watch for black spot. DO NOT CHOOSE CHRISTMAS ROSE (NIGER).	
H. argutifolius		X	X											Pale green flowers.	
H. foetidus		X	X	X										Easiest to grow. Pale green flowers.	
H. orientalis															
Hemerocallis	Daylily	X		X	X	X	X	X		X	Summer			Easy care. Choose long blooming ones.	
H. 'Stella d'Oro'		X	X						X					Blooms summer to frost.	
H. 'Happy Returns'		X	X		X										
Hypericum	St. John's Wort														
H. calycinum		X	X						X			Poor	20-30 cm	> 2 m	Ground cover, can compete with tree roots, invasive.
Hyssopus															
H. officinalis		X		X	X					X	Summer/Fall		60 cm	60 cm	Aromatic leaves.
Iris															Do not cover rhizomes.
Bearded		X	X	X	X	X	X	X	X	X	Summer		60cm-1m		All kinds of colour from near black to white, and blends too.
I. tenax	Pacific Coast	X	X	X	X	X				X					Light shade.
I. foetidissima	Gladwin Iris		X							X					Attractive seed heads.
I. pallida		X								X	Summer		50cm		Variegated leaves.
I. Siberica	Siberian Iris	X		X						X	Late Spring		50cm		Robust and clump can get very big.
Kniphofia uvaria	Red Hot Poker	X					X	X							Look for small cultivars.
Lavandula	Lavender	X		X	X					X	Summer				
L. angustifolia 'Hidcote'		X								X	Summer		75 cm	75 cm	Gray foliage, evergreen.
L. angustifolia 'Munstead'		X								X	Summer		60 cm	60 cm	
L. x intermedia		X								X	Summer		75cm-1m	75cm	
L. stoechas	Spanish Lavender	X								X	Late Spr/summ		60 cm	60 cm	Rose purple bracts.
Liatris	Gayfeather	X		X						X	Late summer		60 cm	30 cm	Look for short cultivars.
L. spicata 'Kobold'		X													
Linum	Flax														
L. arboreum		X							X				30 cm	30 cm	Evergreen.
L. narbonense 'Six hills'										X			30-60 cm	30 cm	Short lived.
L. perenne	Perennial flax									X			30 cm	15 cm	Self sows.
Lupinus	Lupine												75 cm	75 cm	Self seeds.
L. argenteus				X						X					
Lychnis															
L. coronaria		X	X	X		X					Summer		75 cm	45 cm	Gray foliage, self sows.
Maianthemum dilatatum	False Lily of the Valley		X									Acid. Well drained.	10cm	>1m	Dies back in winter.

Perennials: Drought Tolerant Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue					
Nepeta														
N. cataria	Catnip	X							X					
N. x faassenii	Catmint	X							X			45 cm	45 cm	
N. 'Dropmore Blue'		X							X			30 cm	60 cm	
Oenothera	Evening Primrose	X												
O. missouriensis								X				10 cm	15 cm	Flowers open at night.
O. tetragona	Sundrops							X		mid/late summer		45-60 cm	45 cm	Flowers open in daytime.
Papaver	Poppy													
P. orientale	Oriental poppy	X		X	X	X	X					1 m	1 m	Dies back midsummer
Pennisetum														
P. alopecuroides	Fountain grass	X										1 m	1m	Good winter display. White florets.
P. orientale	Chinese grass	X										45cm	60cm	White florets.
Penstemon	Beard Tongue	X									Loose gravel & soil			3-4 yrs life span, fast drainage.
Penstemon gloxinioides 'Sour Grapes'	Border or garden penstemon													Height & spread variable.
P. hartwegii														
P. cobaea														
Perovskia	Russian Sage	X										1 m	45 cm	Silver leaves.
P. 'Blue Spire'														
Polygonum	Knotweed													Creeping roots.
P. affine		X	X		X					Fall		15-30 cm	>30 cm	Evergreen.
Polystichum minutum	Sword fern		X									90cm	90cm	Established plants need little water. Stately.
Rudbeckia	Blackeyed Susan						X	X						Good cut flowers.
R. fulgida 'Goldsturm'								X				1 m	60 cm	
Ruta graveolens	Rue	X						X				75 cm	75 cm	Evergreen, blue-green foliage.
Salvia	Sage	X												
S. nemorosa 'East Friesland'									X			75 cm	45 cm	
S. nemorosa 'Lubecca'									X			45 cm	45 cm	
S. nemorosa 'May Night'									X			1 m	45 cm	Violet-blue flowers.
S. officinalis	Common sage									X				
S. 'Berggarten'														Non-flowering.
S. 'Icterina'														Yellow/green leaves.
S. 'Purpurascens'														Purple tinted leaves.
S. 'Tricolor'														Gray,white purple leaves.
Santolina	Lavender cotton													
S. chamaecyparissus		X						X				75 cm	1 m	Evergreen, gray, good small hedge.

Perennials: Drought Tolerant Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue					
Saponaria	Soapwort	X										8 cm	10 cm	
<i>S. caespitosa</i>					X							15cm		Good edger.
<i>S. ocymoides</i>	Rock soapwort				X							2.5-8 cm	40 cm	Likes dry banks. Trailing.
<i>S. officinalis</i> 'Rubra Plena'						X						1 m	30 cm	
Sedum	Stonecrop	X	X											Succulent perennial, check hardiness.
<i>S. acre</i> 'Aureum'	Gold moss sedum							X				2.5 cm	>1 m	Spreads but easy to control.
<i>S. lydium</i>					X							5 cm	15 cm	Evergreen, mat-forming.
<i>S. obtusatum</i>		X	X					X				5 cm	10-15 cm	Evergreen, mat-forming.
<i>S. sieboldii</i>					X						Fall	10 cm	20 cm	
<i>S. spectabile</i> 'Brilliant'					X						Late summer/ Fall	30-45 cm	30-45 cm	
<i>S. telephium</i> 'Autumn Joy'											Late summer/ Fall	75 cm	60 cm	
<i>S. spathulifolium</i>		X	X					X			Early summer.	5 cm	>1 m	Evergreen, mat-forming.
Sempervivum	Hens & chicks.	X	X									5cm		Evergreen-spreads slowly, to make dense mats.
<i>S. arachnoideum</i>	Cobweb house leek											5 cm	10 cm	Fine hairs over plant.
<i>S. tectorum</i>	Hens & chicks											5 cm	20 cm	Look for red/green colours.
Senecio														
<i>S. cineraria</i>	Dusty Miller							X				60 cm	60-75 cm	Grey foliage.
Sisyrinchium														
<i>S. bellum</i>	Blue-eyed grass	X							X			12 cm	10 cm	Semi-evergreen, self seeds.
<i>S. striatum</i>		X		X				X				45 -60 cm	30 cm	Self seeds. Long lasting flowers.
Stachys	Lamb's Ears	X	X	X	X							15 cm	60 cm	Soft grey leaves.
<i>S. byzantina</i> 'Silver carpet'												5 cm	60 cm	Does not produce flowers.
Thymus	Thyme													
<i>T. citriodorus</i>	Lemon Thyme	X	X									19 cn	25 cn	Evergreen.
<i>T. herba-barona</i>	Caraway-scented	X	X							X		5-10 cm	20 cm	Evergreen.
<i>T. praecox arcticus</i>	Creeping Thyme	X	X	X								1 cm	>	Evergreen.
<i>T. pseudolanuginosus</i>	Woolly Thyme	X	X		X							2.5-5 cm	>20 cm	Evergreen.
<i>T. vulgaris</i>	Common Thyme	X	X									15-30 cm	25 cm	Evergreen.
<i>T. vulgaris argenteus</i>	Silver Thyme	X	X									15-30 cm	25 cm	Variegated leaves, evergreen.
Valeriana	Valerian, garden heliotrope													
<i>V. officinalis</i>				X	X							1 m	1 m	

Perennials: Drought Tolerant Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments	
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue						P Purple
Vancouveria															
V. chrysantha			X					X			Spring		30 cm	>1m	Evergreen, grow in shade under trees.
V. hexandra	American barrenwort		X	X									20 cm	>1m	Vigorous evergreen, grown in shade under trees.
Verbascum															Watch height, lots hate winter wet, must be perennial.
V. chaixii	Nettle leaf mullein.	X						X					1 m	60 cm	Silvery hairs.
V. nigrum	Dark mullein							X		X	Late summer/fall		60 cm – 1 m	60 cm	
Verbena															
V. bipinnatifida										X			20 cm	20 cm	Self sows.
V. rigida	Vervain				X				X	X			45 – 60 cm	30 cm	Low maintenance.
Veronica	Speedwell	X													
V. prostrata	Prostrate speedwell								X				30 cm	>1m	
Vinca	Periwinkle		X												Will aggressively spread over time.
V. major				X						X			10 cm	>	Variiegated foliage available.
V. minor	Dwarf Periwinkle			X						X	X		15 cm	>	Variiegated foliage available. More restrained than major.
Yucca															
Y. filamentosa		X		X									75 cm	75 cm	Stiffer, narrower leaves than flaccida..
Y. flaccida		X		X									75 cm	75 cm	Hardest small yucca.

Native Plants: Drought Tolerant Perennials Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour							Bloom Season	Soil	Height	Spread	Comments
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue	P Purple					
<i>Achillea millefolium</i> A. 'Moonshine'	Yarrow	X		X							Summer/Fall		30-50cm		
<i>Anaphalis margaritacea</i>	Pearly everlasting	X	Pt. X	X				X			Summer		20-60cm		Used in dried flower arrangements.
<i>Antennaria microphylla</i>	Rosy pussy toes	X			X						Summer/Fall		Up to 40cm		
<i>Aquilegia formosa</i>	Red Columbine	X	Pt. X			X		X			May, Aug		40-60cm		Should be in partial shade or shade. Cannot get too dry.
<i>Arctostaphylos uva-ursi</i>	Kinnikinnick (Bear berry)		X	X	X						Summer		10cm		Partial Shade. Excellent ground cover.
<i>Aster alpinus</i>	Alpine aster	X								X	Summer		30cm		
<i>Dryas drummondii</i>	Yellow Mountain Avens	X						X			Summer		15-25cm		Low prostrate evergreen shrub.
<i>Festuca idahoensis</i>	Idaho fescue bluegrass	X											10-20cm		
<i>Fragaria chiloensis</i>	Coastal Strawberry	X		X							Summer		30cm		Evergreen. Flowers nectar source for butterflies.
<i>Linnaea borealis</i>	Twinflower	X	X		X						Summer	Humous	10cm		Evergreen. Good scent.
<i>Lomatium ulriculatum</i>	Fine Leafed Desert Parsley	X						X			Spring		30cm		Food for caterpillars for some adult butterflies.
<i>Lychnis coronia</i>	Rose campion	X	Pt. X			X					Summer		40-100cm		Self seed prolifically.
<i>Mahonia nervosa</i>	Dull Oregon Grape		X					X			Apr/June		60cm		Edible but sour berries. Difficult to find.
<i>Rosa gymnocarpa</i>	Wood Rose	X													
<i>Sedum spathulifolium</i>	Stonecrop	X											5cm		Rosettes of blue/green leaves.
<i>Silene acaulis</i>	Moss campion	X			X	X					June/Sept		5cm		Spreads easily. Trouble free.
<i>Solidago canadensis</i>	Golden rod	X						X			Late summer		1m		
<i>Symphoricarpos</i>	Snowberry	X	X	X							Spring				Only the following cultivars. Nice white berries in winter. Needs pruning.
<i>S. chenaultii</i> 'Hancock'			X										1m	3m	
<i>S. mollis</i>	Creeping Snowberry	X											60cm	2m	
<i>Triteleia hyacinthina</i>	Fool's onion	X		X				X					50-60cm		Cormous perennial. No onion smell.

SHRUBS: Drought Tolerant Shrubs Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour							Bloom Season	Soil	Height	Spread	Comments
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue	P Purple					
Arbutus unedo A. 'Elfin King' A. 'October Fest'	Strawberry Tree	X		X								Well drained	3-4.5m		Evergreen fruit. Rich red brown bark. (NOT FOR BOULEVARDS)
Buxus sempervirens	Box	X	X												Everygreen. Very slow growing. Can make small formal hedges.
Caryopteris x clandonesis 'Blue Mist'	Bluebeard	X							X		Late Summer		60cm	60cm	
Ceanothus C. 'Victoria Blue'	Wild Lilac California Lilac	X								X	Summer				Many succumb to root rot. Watch zone hardiness, height. Only cultivars mentioned.
C. Gloriosus	Point Reyes creeper														
Cistus	Rockrose	X		X	X							Light soil.	1m	1m	Needs maintenance. Watch height and spread. Do not prune into hard wood.
Cotoneaster C. dammeri		X											20cm	20cm	Berries, evergreen.
C. horizontalis	Rockspray	X													
Erica	Winter flowering Heather	X		X	X	X					Winter/Spring		30cm	30cm -1m	Acid peaty soil. Add peat to soil before planting. Water well to get established--two years. Light haircut after flowering.
Euonymus fortunei E. 'Silver & gold'		X	X												Evergreen. Variegated forms. Prune hard. Many other low growing cultivars available.
Euphorbia characias 'Wulfenii'		X									Spring		1m	1m	Exotic look. Lime green flowers.
Fuschia species F. 'Magellanica'		X	X	X	X	X					Summer		1m	1m	Attracts Hummingbirds. Pick only hardy species.
F. 'Shapitor'					X										Pale pink.
Hypericum	St. John Wort							X			Summer				Only the following cultivars. No creeping St. John's Wort.
H. balcaricum								X			Summer		1m	1.5 m	
H. kouytchense								X			Summer		60cm	75cm-1m	Semi evergreen.
Ilex crenata	Japanese holly. Japanese box.	X	X										1m	1m	Evergreen.
Lavandula L. augustifolia 'Hidcote'	Lavender	X									Summer Summer		1m 75 cm	1m 75 cm	Gray foliage, evergreen.
L. augustifolia 'Munstead'		X									Summer		60 cm	60 cm	
L. stoechas	Spanish Lavender	X									Late Spr/summ		60 cm	60 cm	Rose purple bracts.
Lonicera 'nitida'													1m	2m	Sprawls. Needs to be pruned. Easily controlled by pruning.

SHRUBS: Drought Tolerant Shrubs Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments	
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue						P Purple
Mahonia	Oregon Grape														
M. nervosa		X	X					X				1m		Expensive, slow to grow. Evergreen.	
M. repens		X	X					X				1m	>1m	Evergreen.	
Pinus Mugo	Mugo Pine, Dwarf Mountain Pine													Pumilio Group is compact. Watch height.	
Nandina domestica	Heavenly Bamboo	X	X									1m	1m		
N. 'Harbour Dwarf'														Good cultivar. Ground cover.	
Potentilla fruticosa	Cinquefoil.	X	X	X	X	X		X			Summer		1m	Varies	Easy care. Blooms all summer.
Rosemarinus officinalis	Rosemary	X								X	Summer	Very good drainage.	1m	1m	Must prune to keep height down.
Sarcocca hookeriana var. humilis			X	X							Winter	Organic soil.	50cm	1m	Evergreen. Very small fragrant flowers. Ground cover.
Spirea japonica		X	X	X	X						Spring		60cm-1m	60cm-1m	One cultivar has lime green foliage. Excellent easy care deciduous shrub. Hardy.
Symphoricarpos	Snowberry	X	X	X							Spring				Only the following cultivars. Nice white berries in winter. Needs pruning.
S. x chenaultii 'Hancock'			X										1m	3m	
S. Mollis	Creeping Snowberry	X											60cm	2m	
S. chamaedrys															
S. polium															
Teucrium	Germander	X	X	X						X	Summer.	Excellent drainage required.	15cm	15cm	Sharp drainage. Nice edging plant.
Thymus vulgaris	Common Thyme	X	X										15-30 cm	25 cm	Evergreen.
T. vulgaris argenteus	Silver Thyme	X	X										15-30 cm	25 cm	Variegated leaves, evergreen

ROSES: Drought Tolerant Roses Plant Selection Guide

Botanical Name	Common Name	Sun	Shade	Blossom Colour						Bloom Season	Soil	Height	Spread	Comments	
				W White	P Pink	R Red	O Orange	Y Yellow	B Blue						P Purple
NO HYBRID TEAS															
NO GRANDIFLORAS															
NO ANTIQUE ROSES															
NO DAVID AUSTIN															
Rosa rugosa R. 'Charles Abanel' R. 'Henry Hudson'	Beach Rose	X		X	X						Summer		1m		Must pick dwarf cultivars
Meidiland Landscape Rose 'Alba'		X		X											Low growing variety required.
Rosa pimpinellifolia		X													Must be low growing select cultivars.
Rosa gymnocarpa	Native Wood Rose	X			X
